CLAUSES

1 DEFINITIONS AND INTERPRETATION

- 1.1 Capitalised terms shall have the meaning given to them in **Annex 1.1**.
- 1.2 Unless the context requires otherwise, the provisions of this Agreement shall be construed as provided in **Annex 1.2**

2 PURPOSE AND SCOPE OF THE ASSIGNMENT

2.1 Purpose of the assignment

By virtue of this Agreement, MVP assigns and shall transfer to the Assignees, which accept and shall acquire, subject to the terms and conditions of this Agreement, the PPI Business, with the Assignees assuming MVP's rights and obligations regarding the PPI Business in the respective lines of business in which they are authorised (i.e. CNP Assurances in the life, accident and sickness insurance classes and CNP Caution in the miscellaneous financial loss insurance class) ("**Transfer**").

As the general criteria for the allocation of the assets, liabilities and policies of the PPI Business between the two Assignees, it is determined that, the assets and liabilities accounts that are broken down by accounting portfolio (*cartera contable*) shall be distributed by insurance classes (*ramos*) in the same proportion as the premiums or, failing that, the unearned premium provision (*provisión de primas no consumidas*) for the last available period corresponding to each accounting portfolio (*cartera contable*). In the event that the assets and liabilities accounts are not broken down by accounting portfolio (*cartera contable*), the following percentage shall be applied: 39% CNP Assurances and 61% CNP Caution.

The Assigned Portfolio comprised within the PPI Business shall include exclusively the PPI policies of the Cedant in force on the Closing Date, and no other policies underwritten by the Cedant.

An inventory of the PPI policies in force as of 31 March 2023, which, if in force on the Closing Date, will form part of the Assigned Portfolio ("**PPI Policies Inventory**"), is attached hereto considered to be part of this Agreement as **Annex 2.1**.

An updated PPI Policies Inventory at the closing date of the month immediately preceding the month in which the Closing Date occurs shall be prepared by the Cedant and reviewed by the Assignees and will be deposited by the Parties before the Notary

Public on the Closing Date.

Subsequent to the Closing Date the PPI Policies Inventory shall be updated as at the Closing Date in accordance with the procedure set out in Clause 6.3(b)(i).

The PPI Policies Inventory contained in Annex 2.1 shall divide in detail and clearly which assets and liabilities are transferred to which Assignee, according to the general criteria set forth in second paragraph of Clause 2.1 above.

2.2 Scope of the assignment

As part of the PPI Business, together with the Assigned Portfolio, the following elements will also be assigned to the Assignees:

- (a) The assets and liabilities associated to the Assigned Portfolio, as detailed in the Final PPI Inventory of Assets and Liabilities at the Closing Date.

The PPI Inventory of Assets and Liabilities as of 31 March 2023 is attached hereto as **Annex 2.2(a)**.

An updated PPI Inventory of Assets and Liabilities at the closing date of the month immediately preceding the month in which the Closing Date occurs shall be prepared by the Cedant and reviewed by the Assignees and will be attached to the Public Deed on the Closing Date.

Subsequent to the Closing Date the Inventory of Assets and Liabilities shall be updated as at the Closing Date in accordance with the procedure set out in Clause 6.3(b)(i).

The PPI Inventory of Assets and Liabilities contained in Annex 2.2(a) shall divide in detail and clearly which assets and liabilities are transferred to which Assignee, according to the general criteria set forth in second paragraph of Clause 2.1 above.

For the avoidance of doubt, the assets and liabilities associated to the Assigned Portfolio, which will be assigned to the Assignees as part of the PPI Business and included in the Final PPI Inventory of Assets and Liabilities at the Closing Date shall comprise any incurred claims (both "incurred and reported but not settled" and "incurred but not reported") in respect of the PPI policies in force on the Closing Date (whether reported or not on or before the Closing Date) and the reserves existing on the Cedant's balance sheet at the Closing Date related to such claims, being the Assignees entirely liable for such claims as of the Closing Date, without the Cedant retaining any liability in respect thereof.

(b) Agreements with insurance intermediaries for the distribution of the PPI policies

The PPI Business also comprises, subject to what is stated in this Agreement, the rights and obligations of the Cedant under the insurance mediation agreements entered into with insurance intermediaries, only to the extent that they distribute PPI policies ("**PPI Insurance Intermediaries**"), as detailed in **Annex 2.2(b)**.

An updated Annex 2.2(b), containing the PPI Insurance Intermediaries as of the Closing Date shall be prepared by the Cedant and reviewed by the Assignees and will be deposited by the Parties before the Notary Public on the Closing Date.

The Cedant shall use its best efforts to obtain the consent of the counterparties, in order that all the agreements entered into between the Cedant and the PPI Insurance Intermediaries, which are detailed in Annex 2.2(b), are duly assigned to the Assignees on the Closing Date; it being understood, however, that (a) the Cedant is under no obligation to achieve a specific result and (b) the execution of new agreements by the PPI Insurance Intermediaries with the Assignees will not be a condition precedent for this Agreement to become effective and will be, if necessary or convenient, a task to be carried out by the Assignees.

Within twenty (20) Business Days following the Closing Date, the Parties will jointly notify the PPI Insurance Intermediaries referred to in Annex 2.2(b) (updated on the Closing Date), by means of a letter, the form of which is attached as **Annex 2.2(b) bis** about the satisfaction of the Condition Precedent and the effectiveness of the Transfer.

(c) Transferred External Reinsurance Agreements

Subject to what is stated in this Agreement, as part of the PPI Business, the Cedant assigns and shall transfer to the Assignees, who accept and will receive the Transferred External Reinsurance Agreements (as this term is defined in Annex 1.1), the Assignees assuming all the rights, duties and obligations linked to them, subject to the previous, express or tacit, consent of the relevant reinsurance undertakings.

The effective transfer of the Transferred External Reinsurance Agreements will be subject to (i) the provision of the express or tacit consent by the respective reinsurance companies, and (ii) to the consummation of the Transfer.

A list, as of the 31 March 2023, of the reinsurance agreements covering the Assigned Portfolio is attached hereto as **Annex 2.2(c)**.

An updated list of the Transferred External Reinsurance Agreements as of the Closing Date shall be prepared by the Cedant and reviewed by the Assignees and will be attached to the Public Deed on the Closing Date.

The Cedant shall use its best efforts to obtain the consent of the counterparties, in order that all the Transferred External Reinsurance Agreements are duly assigned to the Assignees on the Closing Date; it being understood, however, that (a) the Cedant is under no obligation to achieve a specific result and (b) execution of new reinsurance agreements with the Assignees will not be a condition precedent for this Agreement to become effective and will be, if necessary or convenient, a task to be carried out by the Assignees.

Notwithstanding the foregoing, where appropriate, for those Transferred External Reinsurance Agreements that have to be renewed before the Closing Date the Cedant may negotiate with the relevant reinsurer any amendments to the Transferred External Reinsurance Agreement that it deems necessary in the Ordinary Course of Business, but it shall inform the Assignees, in a reasonable time prior to their execution, of the relevant amendments or new reinsurance agreements, so that the Assignees shall have the opportunity to directly negotiate with the relevant reinsurers such amendments to the Transferred External Reinsurance Agreements or new reinsurance agreements as the Assignees may deem necessary or appropriate, provided that such amendments or new reinsurance agreements shall take effect only in respect of the Assigned Portfolio as of the Closing Date.

Within twenty (20) Business Days following the Closing Date the Parties will jointly notify the reinsurers who did not oppose to the Transfer, by means of a letter, the form of which is attached as **Annex 2.2(c) bis**, about the satisfaction of the Condition Precedent and the Transfer.

(d) Accepted Reinsurance Agreement

Subject to what is stated in this Agreement, as part of the PPI Business, the Cedant assigns and shall transfer at Closing Date to the Assignees, who accept and will receive, the Cedant's contractual position under the Accepted Reinsurance Agreement (as this term is defined in Annex 1.1), the Assignees assuming all the rights, duties and obligations linked to such position as reinsurer under the Accepted Reinsurance Agreement, subject to the previous express or tacit consent of the reinsured party.

The effective transfer of the Accepted Reinsurance Agreement will be subject to (i) the provision of its express or tacit consent by the reinsured party under the Accepted Reinsurance Agreement, and (ii) to the consummation of the Transfer.

The Cedant shall use its best efforts to obtain the consent of the counterparty, in order that the Accepted Reinsurance Agreement, is duly assigned to the Assignees on the Closing Date; it being understood, however, that (a) the Cedant is under no obligation to achieve a specific result and (b) execution of the new agreement (if applicable) with the Assignees will not be a condition

precedent for this Agreement to become effective and will be, if necessary or convenient, a task to be carried out by the Assignees.

Within twenty (20) Business Days following the Closing Date the Parties will jointly notify the reinsured party, by means of a letter, the form of which is attached as **Annex 2.2(d)**, about the satisfaction of the Condition Precedent and the Transfer.

(e) Other Transferred Agreements

Subject to what is stated in this Agreement, as part of the PPI Business, the Cedant assigns and shall transfer to the Assignees, who accept and will receive the Other Transferred Agreements (as this term is defined in Annex 1.1), the Assignees assuming all the rights, duties and obligations linked to them, subject to the previous express or tacit consent of the relevant counterparties.

The effective transfer of the Other Transferred Agreements will be subject to (i) the provision of their express or tacit consent by the respective counterparties, and (ii) to the consummation of the Transfer.

A list, as of 31 March 2023, of those Other Transferred Agreements is attached hereto as **Annex 2.2(e)**.

An updated list of the Other Transferred Agreements as of the Closing Date shall be prepared by the Cedant and reviewed by the Assignees and will be attached to the Public Deed on the Closing Date.

The Cedant shall use its best efforts to obtain the consent of the counterparties, in order that all the Other Transferred Agreements are duly assigned to the Assignees on the Closing Date; it being understood, however, that (a) the Cedant is under no obligation to achieve a specific result and (b) execution of new agreements with the Assignees will not be a condition precedent for this Agreement to become effective and will be, if necessary or convenient, a task to be carried out by the Assignees.

Within twenty (20) Business Days following the Closing Date, the Parties will notify jointly the counterparties, by means of a letter, the form of which is attached as **Annex 2.2(e) bis**, about the satisfaction of the Condition Precedent and the Transfer.

Notwithstanding the foregoing, in the event that prior to the Closing Date the Cedant enters into a PPI TPA Agreement in the terms set out in Clause 2.2(g) below, pursuant to which all or part of the services constituting the subject matter of the Other Transferred Agreements are provided, the Assignees acknowledge and agree that, for the purpose of avoiding duplication of services, the Cedant may amend or early terminate such Other Transferred Agreements included in **Annex 2.2(e)**.

(f) Services Agreement

The Parties shall make its best efforts to agree, no later than 31 July 2023, all the terms and conditions of a services agreement with a duration of between three (3) and six (6) months, in no event extending its term beyond 30 June 2024, for the provision to the Assignees, as from the Closing Date, of certain services relating to the PPI Business needed by the Assignees and not covered under the PPI TPA Agreement ("**Services Agreement**"). In the event that agreement is reached on such services, the body of the Services Agreement shall have the content agreed (subject to any further amendments that the Parties may mutually agree) in **Annex 2.2(f)**.

(g) PPI TPA Agreement

Subject to what is stated in this Agreement, prior to the Closing Date, the Cedant may enter into a PPI TPA Agreement (as this term is defined in Annex 1.1) with one or more third party service providers, outsourcing the provision of certain services relating to the PPI Business. In the event that such PPI TPA Agreement is entered into prior to the Closing Date, such agreement will be deemed to be part of the PPI Business, and the Cedant will assign and transfer to the Assignees, who will accept and receive, the Cedant's contractual position under the PPI TPA Agreement.

In this regard, the Cedant undertakes to inform the Assignees and, to the extent permitted by law, let them participate in discussions with the third party service provider or providers regarding the terms of the PPI TPA Agreement, without there being any obligation for the PPI TPA Agreement to be finally entered into.

2.3 Exclusions

The Transfer shall not include:

- (a) The transfer in favour of the Assignees of ownership or of the right to use the name, trademarks, designs or logos of the Cedant or its Affiliates.

Notwithstanding the above, the Assignees will be entitled to keep any historical documentation which was created before the Closing Date that contains any trade or service name or mark, business name, design or logo or domain name used or held by the Cedant, exclusively for the operation of the PPI Business which this historical documentation refers to. Once terminated the relevant insurance policy and any obligations under it, the Assignees will be entitled to keep the relevant historical documentation exclusively for internal record keeping purposes or for purposes of this Agreement and only for the term which is strictly necessary for compliance with legal obligations or internal policies which require keeping such documentation; once such term has lapsed, the Assignees shall promptly destroy any such documentation.

The Assignees undertake not to reproduce the name, trademarks, designs and logos of the Cedant or its group in any modification, extension, endorsement or renewal of the PPI policies or in any other documentation, related or not to the PPI Business, which is issued by the Assignees.

- (b) Any claimable events (*siniestros*) corresponding to PPI insurance policies which have been cancelled or terminated on or before the Closing Date, the Cedant retaining all the reserves and assets backing those reserves for both “incurred and reported but not settled” and “incurred but not reported” claims in respect of such cancelled PPI policies existing on the Cedant’s balance sheet at the Closing Date related to such claims.
- (c) The PPI policies underwritten by the Cedant in Italy under the right of establishment regime as well as all the assets and liabilities associated to these policies.
- (d) In general, the assignment, transfer or assumption of any assets, liabilities, rights or obligations not related exclusively with the PPI Business.

- (a) keep each other informed of the actions and steps taken in the course of the authorisation file, consulting each other in advance, where practicable, with respect to any data or information to be provided to the DGSFP (as well as any other governmental authorities involved in the authorisation process), before taking any material action or omission in connection with the ongoing procedure relating to the authorisation of the Transfer;
- (b) provide the other Party and the DGSFP (as well as any other governmental authorities involved in the authorisation process) with the necessary information and/or documents as may be reasonably required in order to comply with the Regulatory Condition Precedent;
- (c) not to undertake or order any action whose effect could prejudice the timely and proper performance of the Regulatory Condition Precedent;
- (d) not to submit documents without having previously obtained the written consent of the other Party as to their submission, format and content; such consent may not be unreasonably withheld, conditioned or delayed (an unjustifiable delay being deemed to be a delay exceeding five (5) Business Days from the receipt by the other Party of the draft of the corresponding notification);
- (e) as soon as possible (and, in any event, where practicable, not later than five (5) Business Days) inform the other Party (and provide copies or, in the case of unwritten communications, specific details) of any communications of a material nature with the DGSFP (as well as any other governmental authorities involved in the authorisation process) in connection with the authorisation;
- (f) keep the other Party informed of any material communication received from the DGSFP (as well as any other governmental authorities involved in the authorisation of the Transfer);
- (g) take into account the reasonable comments and requests of the other Party and its advisors; and

- (h) periodically review with the other Party the progress of notifications or submissions with a view to obtaining the appropriate authorisation, approval or action from the DGSFP (as well as any other governmental authorities involved in the authorisation process) as soon as possible.

In all cases where, in accordance with the above, the Parties share information or documentation that contain confidential sensitive business information of a Party, that Party shall have the right to redact the sensitive business information prior to providing it to the other Party.

3.3 Failure to comply with the Condition Precedents

If on:

- (a) 30 June 2024, the Regulatory Condition Precedent has not been complied with; or
- (b) 31 July 2023, the Contractual Condition Precedent has not been complied with,

this Agreement shall be terminated at the request of either of the Parties and shall not have any effect from the date of termination, except with respect to the provisions of Clauses 14 (Non-Solicitation), 15 (Confidentiality) and 19 (Governing Law and Arbitration). In such case, neither Party shall be obliged to compensate or indemnify the other Party, without prejudice to the compensation or indemnities which may be payable as a result of a breach of this Agreement prior to its termination under this paragraph.

4 PRICE

The total price agreed for the transfer of the PPI Business, that includes the Assigned Portfolio, amounts to a total of FOUR HUNDRED AND THIRTY THOUSAND EUROS (€ 430,000) ("**Price**") plus any applicable taxes.

The Parties acknowledge that the Price is fixed and not subject to any adjustment.

Each of the Assignees shall pay the Price to the Cedant in the proportion indicated in **Annex 4** on the Closing Date, by swift transfer (costs to be borne by the Assignees – "OUR" instruction-) to the bank account held by the Cedant set out therein or to any other bank account held by the Cedant that this may notify in written to the Assignees on or before the Closing Date.

5 INTERIM PERIOD BETWEEN SIGNING AND EFFECTIVE ASSIGNMENT OF THE PPI BUSINESS

5.1 General undertaking of the Cedant

During the Interim Period, the Cedant shall manage the PPI Business as a going concern in the Ordinary Course of Business (save in so far as imposed by any applicable laws and regulations or as agreed with the Assignees).

During the Interim Period the Cedant undertakes:

- (a) not to carry out or approve any agreement that may imply, directly or indirectly, the transfer or disposal of the Assigned Portfolio, except for the envisaged merger between the Cedant (as absorbing company) and MedVida (as absorbed company) which in no case will impact the PPI Business;
- (b) to maintain the license and authorisations necessary for the development of the activities related to the Assigned Portfolio;
- (c) not to terminate unilaterally and without a justified cause any of the agreements foreseen in Clause 2.2 (b), (c), (d) and (e) (for the avoidance of doubt; (i) contracts unilaterally terminated by the other party and (ii) Other Transferred Agreements that are terminated as a result of the signing of the PPI TPA Agreement, if this is finally executed as explained in Clause (e), are excluded);
- (d) not to sell, assign, dispose of or create liens or encumbrances on the Assigned Portfolio;
- (e) not to make any material modification or amendment whatsoever in the content, conditions and elements related to the policies comprising the Assigned Portfolio (including, but not limited to, premium amount, reinsurance coverage, etc.), unless such modifications or amendment are due to a change in law or to a decision or change in the criteria of the competent judicial or supervisory authorities;
- (f) not to submit notifications in proceedings brought by the DGSFP or respond to any request for information of this supervisory authority, when such proceedings or requirements specifically refer to and substantially affect the Assigned Portfolio, without first requesting the Assignees' consent in the manner set forth below; and
- (g) in general, not to assume any material commitment that affects the Assigned Portfolio.

If during the Interim Period any circumstance should arise that would entail the non-compliance of any of the actions contemplated in letters (a) to (g) above, the Cedant shall notify the Assignees in writing of this fact, requesting its express consent. The Assignees shall have to respond to such request within ten (10) Business Days after receiving the notification from the Cedant, without the Assignees being able to unreasonably withhold their consent. The refusal of the Assignees to such request shall always be justified in written. In the event that the Assignees do not respond within the aforementioned period, it shall be understood that they give their consent for the Cedant to carry out the intended action.

The Cedant agrees and undertakes to compensate (*indemnizar*) the Assignees for any Losses arising from non-compliance with this Clause 5.1, pursuant to Clause 10.1(b).

5.2 Regular follow up meetings

The Parties expressly agree that regular follow-up meetings shall be held with their representatives during the Interim Period to enable the Assignees to be informed of the details of the evolution of the PPI Business, including those related to its assets and liabilities, the preparation of the Transfer, the terms of the PPI TPA Agreement (should this finally be executed), as well as the management decisions taken and the fulfilment of this Agreement.

The Parties agree that these meetings shall be held on a monthly basis and may be either in person or telematic. Notwithstanding the above, either Party may at any time convene a meeting at least five (5) Business Days in advance to discuss urgent matters relating to the PPI Business.

These meetings may be attended by all those representatives deemed necessary by each of the Parties. In strict compliance with the regulations and principles governing Competition Law, the persons attending these periodic meetings shall have reasonable and proportionate access to the Cedant's personnel, as well as to the necessary information, in order to ensure the orderly transfer of the PPI Business to the Assignees.

5.3 Acknowledgments

The Assignees acknowledge and accept that the PPI Business may be subject to variations during the Interim Period. Accordingly, the Assignees agree that none of the following events, facts or circumstances shall give rise to any liability on the part of the Cedant and that the Assignees shall have no action whatsoever to terminate this Agreement or request amendments to it as a result of such events facts or circumstances:

- (a) termination of the PPI policies and/or agreements related to the PPI Business with clients, suppliers, partners, insurance distributors or other third party contractors;
- (b) potential decrease of activity with clients, suppliers, partners, insurance distributors or other third party contractors and termination or modification of the agreements with those third parties; or
- (c) any other events, facts or circumstances such as variations in the forecasts, insurance policies, claims, agreements, assets and liabilities relating to the PPI Business,

provided that, and to the extent that, (i) the Assigned Portfolio is managed in the Ordinary Course of Business and in compliance with the obligations of the Agreement; or (ii) such termination, decrease, event, fact or circumstance is not directly related with an act or omission of the Cedant (i.e. it responds to a market behaviour or to a third party not related to the Cedant); or (iii) such termination, decrease, event, fact or circumstance is related with an action of the Cedant which started before the acquisition of MVP by MedVida.

5.4 **Request of the tax certificate referred to in Article 175.2 of the Spanish General Tax Law**

The Parties agree that, for the purposes of limiting the possible application of joint responsibility provided in Article 42.1.c of the Spanish General Tax Law (*Ley General Tributaria*), no later than 15 (fifteen) calendar days before the Closing Date, the Cedant shall provide to the Assignees express written consent so that the Assignees can request from the Spanish tax authorities, prior to the Closing Date, the tax certificate referred to in Article 175.2 of the Spanish General Tax Law.

Such certificate shall be requested to the State Tax Authorities and to the Autonomous Community Tax Authorities corresponding to the Autonomous Communities in which the PPI Business activities are carried out.

The Assignees will (i) inform the Cedant as soon as it requests the tax certificate to the relevant Tax Authority and (ii) provide the Cedant with a copy of the tax certificate as soon as possible after it has been issued.

6 **CLOSING DATE**

6.1 **Closing Date and execution of the Public Deed**

The Closing Date will be the day on which the Parties execute the Public Deed.

The execution of the Public Deed will take place before the Notary Public after the last of the Conditions Precedent provided for in Clause 3.1 is met. In this regard:

- (a) if the last Condition Precedent is met within the first twenty (20) calendar days of a given month, the execution of the Public Deed will take place on the last day of such calendar month (or, if it is not a Business Day, on the Business Day immediately preceding such day); and
- (b) if the last Condition Precedent is met after the twenty (20) first calendar days of a given month, the execution of the Public Deed will take place on the last day of the calendar month following the end of the calendar month in which such Condition Precedent has been met (or, if not a Business Day, on the Business Day immediately preceding such day).

The Parties may mutually agree that the Closing Date takes place on any other day after fulfilment of the last Condition Precedent.

6.2 **Effectiveness of the Services Agreement**

The Services Agreement shall become effective as of the Closing Date.

6.3 **Actions of the Parties on the Closing Date**

On the Closing Date, the Cedant and the Assignees shall appear before the Notary Public and shall carry out, in the order set out below, the following actions, which shall

be performed as a single act (*unidad de acto*) and shall be deemed to have been performed simultaneously.

- (a) The Cedant and the Assignees shall:

 - (ii) submit before the Notary Public sufficient powers to complete the Transfer, as well as, where appropriate, certificates of the necessary corporate resolutions to complete the Transfer and execute the Public Deed; and

(b) The Cedant shall deliver to the Assignees the following information:

- (i) The updated Annex 2.1 (*PPI Policies Inventory*), and Annex 2.2(a) (*PPI Inventory of Assets and Liabilities*) including all the data, as of the closing date of the month immediately preceding the month in which the Closing Date occurs (which will be attached to the Public Deed or deposited before the Notary Public through a deposit notarial deed, as the case may be).

No later than two (2) months following the Closing Date, the Cedant shall deliver to the Assignees (a) an updated PPI Policies Inventory, including the details of all the policies of the PPI Business updated at the Closing Date ("**Final PPI Policies Inventory at the Closing Date**") and (b) an updated PPI Inventory of Assets and Liabilities, including the details of all the assets and liabilities of the PPI Business updated at the Closing Date ("**Final PPI Inventory of Assets and Liabilities at the Closing Date**").

After the delivery of the Final PPI Policies Inventory at the Closing Date and the Final PPI Inventory of Assets and Liabilities at the Closing Date, the Cedant shall prepare four (4) copies of the Final PPI Policies Inventory at the Closing Date and four (4) copies of a Final PPI Inventory of Assets and Liabilities at the Closing Date, containing the definitive details of the Final PPI Policies Inventory at the Closing Date and of the Final PPI Inventory of Assets and Liabilities at the Closing Date.

Each of the Parties shall keep one of the copies mentioned above and the fourth one shall be deposited with the Notary Public, replacing the

- (ii) The updated Annex 2.2(b) (*PPI Insurance Intermediaries*), Annex 2.2(c) (*list of Transferred External Reinsurance Agreements*) and Annex 2.2(e) (*list of the Other Transferred Agreements*) including all the data, as of the Closing Date (which will be attached to the Public Deed or deposited before the Notary Public through a deposit notarial deed, as the case may be).
 - (iii) Any other document and information related to the PPI Business which the Parties may mutually agree.
- (c) the Assignees and MVP shall enter into agreements for the amendment of the PPI Reinsurance Agreements ("**PPI Reinsurance Amendment Agreements**"), which will be negotiated in good faith between the Parties, for the extension of the PPI Reinsurance Agreements, with respect to the Assigned Portfolio, remaining in force on their current terms until the Closing Date.
 - (d) The Assignees shall automatically assume, as a result of the Transfer, the contractual position of the Cedant in the PPI TPA Agreement, should this agreement be finally executed.
 - (e) The Cedant and the Assignees shall grant the Public Deed before the Notary Public. This Agreement, copies of the documents evidencing compliance with the Regulatory Condition Precedent referred to in Clause 3.1(a) and any other document required by the Assignees among the documents mentioned in this Clause 6.3 shall be attached to the Public Deed.

The Cedant and the Assignees shall repeat the Cedant's Warranties and the Assignees' Warranties, respectively, as of the Closing Date, except for those which have been expressly given with reference to a specific date and subject to the Updated Disclosures.

- (f) The (i) Assignees shall pay the Price to the Cedant, in the proportion set out in Annex 4, by means of a swift transfer to the bank account set out in Annex 4; and (ii) Cedant shall grant letter of payment (*carta de pago*) upon receipt of the Price.
- (g) The Cedant and the Assignees shall deposit before the Notary Public, (a) a copy of the VDR Pen Drive, (b) the updated PPI Policies Inventory, subject to the post closing updates described in Clause 6.3(b)(i) below, and (c) the updated PPI Insurance Intermediaries, by means of a deposit notarial deed (*acta notarial de depósito*).

6.4 Transfer of the PPI Business

On the Closing Date, and subject to what is stated in this Agreement, and as a result of the execution of the Public Deed, the PPI Business will be effectively transferred to the Assignees, all the legal and economic effects of the Transfer occurring on that date.

6.5 Registration of the Public Deed

Once the Public Deed has been executed, it will be filed with the relevant Mercantile Registries and with the DGSFP, in the manner set forth in article 100.4 ROSSEAR.

6.6 Further actions after execution of the Public Deed

On the Closing Date, the Cedant and the Assignees shall take such actions as may be necessary (including without limitation, notification of instructions to the custodians of financial assets and to the credit institutions holding cash deposits, which are included in the Final PPI Inventory of Assets and Liabilities) to record the change in ownership of such assets and to transfer them to the securities accounts and the cash accounts which are designated by the Assignees. Costs of such change and transfers shall be borne by the Assignees.

7 SETTLEMENT OF BALANCES

7.1 Notwithstanding the provisions contained in Clauses 2 and 6 above, if after the Closing Date any of the Assignees or the Cedant receive or become aware that they are going to receive revenues or payments that pursuant to the Transfer agreed herein correspond to the other Party; the Assignees or the Cedant (whichever applies) shall (i) do everything reasonably possible to ensure that the revenue or payments are transferred directly to the Party that should have received them under this Agreement; or (ii) if this is not possible and/or if it already received the revenue or payment, the Party that received it unduly must immediately refund in full to the Party that should have received it under this Agreement, and in any case within twenty (20) Business Days of becoming aware of having received the revenue or payment unduly.

7.2 Conversely, if after the Closing Date the Cedant or any of the Assignees receive or become aware of any request, demand or claim for payment from any third party or competent administrative authority or body, for any expenses or costs that pursuant to the Transfer agreed herein correspond to the other Party, the Cedant or the relevant Assignee (whichever applies) shall (i) notify the other Party in writing of the circumstance so that it may satisfy and make the payment as soon as possible; or (ii) if this is not possible and/or if the claimed payment was made unduly, it must notify the other Party so that it will repay the amount paid in full within twenty (20) Business Days of receiving the communication from the other Party (it being further specified that if, for any reason, a payment is to be made within a period of less than twenty (20) Business Days, the

other Party shall be notified in advance and in no case later than half (1/2) the period within which that Party has to make payment).

8 CEDANT'S WARRANTIES

8.1 Cedant's Warranties

The Cedant represents and warrants to the Assignees that the statements set out in **Annex 8.1 ("Cedant's Warranties")** are true and accurate as of the date of this Agreement and shall be deemed to be repeated on the Closing Date (except for those which have been expressly given with reference to a specific date and subject to the Updated Disclosures).

For the avoidance of doubt, other than the Cedant's Warranties, the Cedant makes no representations and gives no warranties to the Assignees under this Agreement.

8.2 Cedant's liability for breach of Cedant's Warranties

The Cedant agrees and undertakes to compensate (*indemnizar*) the Assignees for any Losses, arising from any of the Cedant's Warranties being false or inaccurate as of the date of this Agreement and/or as of the Closing Date, which are either:

- (a) expressly accepted by the Cedant; or
- (b) in respect of which an enforceable, binding and final court ruling (*sentencia firme*) or arbitration award has been rendered, which declares the existence of a breach of the relevant Cedant's Warranty and determines the Losses deriving therefrom.

8.3 Knowledge of the Assignees

The Cedant shall not be held liable for:

- (a) Losses resulting from a breach of the Cedant's Warranties in respect of specific events, facts or matters that are within any of the Assignees' Knowledge or that has been fairly disclosed by the Cedant to any of the Assignees; or
- (b) any inaccuracy of the Cedant's Warranties by reason of any events, facts or circumstances which are fairly disclosed to the Assignees through the Updated Disclosures.

For these purposes:

"Assignees' Knowledge" shall be deemed to refer to the actual knowledge of:

- (a) the representatives, managers or responsible of different areas of the Assignees; as well as
- (b) any directors or officers, who are currently working within CNP Assurances S.A. or CNP Caution S.A., including their Spanish branch offices, with operational

knowledge and involved in the PPI Business, who held directorship or management positions in the Cedant prior to its acquisition by MedVida.

"fairly disclosed" means disclosed in sufficient detail in a document contained in the VDR Pen Drive, in the documentation or information provided through the Due Diligence Process, or in the Updated Disclosure, in order to enable the Assignees or its advisors to assess the impact of such events, facts or matters on the PPI Business.

8.4 Exclusive remedies for breach of Cedant's Warranties

Except in the event of fraud or wilful misconduct (*dolo*):

- (a) the remedies provided for in Clause 8.1 shall be the exclusive remedies of the Assignees in case any Cedant's Warranties in favour of the Assignees, were false or inaccurate and shall be *in lieu* of, and not in addition to, any remedies provided for by applicable Law (including, but not limited to, the Spanish Civil Code);
- (b) all other remedies, including, but not limited to, the right to terminate this Agreement or to claim for hidden defects (*saneamiento por vicios ocultos*) shall not apply and are hereby explicitly waived and excluded to the greatest extent permissive under applicable Law;
- (c) as an exception to the foregoing, preceding paragraphs (a) and (b) shall not preclude and shall not be interpreted and construed under any circumstances as a waiver, limitation or restriction to any Cedant's rights and remedies available pursuant to Spanish Civil Code and Spanish laws for defects in title (*saneamiento por evicción*), only to the extent that such defects were not caused by or arose from events, acts or circumstances occurring during the time in which CNP Assurances, S.A. and CNP Caution, S.A. were shareholders of MVP or arising out of such events, acts or circumstances; and
- (d) the Cedant hereby agrees not to bring any action or claim against the directors, officers and/or employees of the Cedant and its Affiliates and each of their directors, officers and/or employees as a result of this Agreement.

9 ASSIGNEES' WARRANTIES AND ASSIGNEES' LIABILITIES

The Assignees represent and warrant to the Cedant that the statements set out in **Annex 9 ("Assignees' Warranties")** are true and accurate as of the date of this Agreement and shall be deemed to be repeated on the Closing Date.

Should any of the Assignees' Warranties be found not to be true and accurate as of any of such dates, then the Assignees shall compensate (*indemnizar*) the Cedant for any Losses, arising from any of the Assignees' Warranties being false or inaccurate as of the date of this Agreement and/or as of the Closing Date, which are either:

- (a) expressly accepted by the Assignees; or

- (b) in respect of which an enforceable, binding and final court ruling (sentencia firme) or arbitration award has been rendered, which declares the existence of a breach of the relevant Assignees' Warranty and determines the Losses deriving therefrom.

The liability of the Assignees for breach of their obligations under this Agreement, including that arising from the breach of the Assignees' Warranties, shall be joint (*mancomunada*) between the Assignees as a percentage of the Price.

10 LIMITATION OF THE CEDANT'S LIABILITY

10.1 Cedant's liability regime

Subject to the terms of this Agreement, the Cedant shall compensate (*indemnizar*) the Assignees for any Losses, arising from:

- (a) a breach of the Cedant's Warranties, as provided for in Clause 8;
- (b) any non-fulfilment or breach of the obligations of Clause 5.1; or
- (c) any other non-fulfilment or breach of any covenant, obligation or undertaking made by the Cedant in this Agreement.

Any Losses arising from letters (a) or (c) above, will be subject to the limits and thresholds foreseen in Clauses 10.2 to 10.4.

However, any Losses arising from letter (b) above, will be limited to an amount equal to one hundred per cent (100%) of the Price, except in those cases in which the breach of the obligations of Clause 5.1 has been caused by the Cedant with wilful intent (*dolo*). The Cedant's aggregate liability for breach under Clause 5.1 and Clause 10.4 shall in no event exceed one hundred (100%) of the Price.

10.2 Minimum claims

The Cedant shall not be liable in respect of any individual claim where the liability agreed or determined in respect of any such claim does not exceed eight thousand euros (€ 8,000).

A series of claims having the same cause and / or arising from substantially identical facts or circumstances shall be treated as a single claim for the purposes of this Clause.

10.3 Tipping Basket

The Cedant shall not be liable for any breach of the Agreement unless the aggregate amount of all claims for which the Cedant would otherwise be liable exceeds thirty-five thousand euros (€ 35,000).

Where the liability of the Cedant agreed or determined in respect of all claims referred to in the above paragraph exceeds the percentage of the Price set out in previous

paragraph, the Cedant shall be liable for the amount in excess of such threshold and for any future claims which exceeds the *de minimis* threshold mentioned in Clause 10.2.

10.4 Maximum liability

The aggregate liability of the Cedant for breach of this Agreement shall not exceed an amount equal to forty per cent (40%) of the Price.

10.5 Limitation in time

The Cedant shall not be liable under this Agreement, unless a notice of the claim is given by the Assignees to the Cedant in accordance with Clause 11.1 within fourteen (14) months following the Closing Date.

Notwithstanding the above, as regards the rights and remedies available pursuant to Spanish Civil Code for defects in title (*saneamiento por evicción*), a period of one (1) month from the relevant statute of limitation period in the Spanish Civil Code will apply.

10.6 No Cedant liability

The Cedant shall not be liable in respect of:

- (i) any Losses attributable to any act or omission carried out by the Assignees, including within such acts or omissions any events, acts or circumstances occurring during the time in which CNP Assurances, S.A. and CNP Caution, S.A. were shareholders of MVP or arising out of such events, acts or circumstances, and those cases in which the Losses are attributable to a practice of the Cedant which started before the acquisition of MVP by MedVida and has continued after such acquisition (provided that this shall not exclude Cedant's liability with respect to any aggravation of the Losses directly caused by Cedant's voluntary actions not related to past practices, but only to the extent of such aggravation); and/or
- (ii) any Losses attributable to any changes in law or any change in its interpretation or application after the Closing Date by the competent authorities or the courts of justice.

10.7 No double recovery

No Party may recover under this Agreement more than once in respect of the same Losses suffered or amount for which the Party is otherwise entitled to claim (or part of such Losses or amount).

10.8 Mitigation of Losses

The Assignees shall procure that all reasonable steps are taken and all reasonable assistance is given to avoid or mitigate any Losses which, in the absence of mitigation, might give rise to a liability in respect of any claim for breach of any Cedant's Warranty.

11 CLAIMS FOR BREACH

11.1 Claims from the Assignees

- (a) If the Assignees become aware of any action, fact or event that gives rise to a claim against the Cedant for any Losses in connection, the Assignees shall give written notice of the claim to the Cedant within thirty (30) Business Days from the date the Assignees become aware of the action, fact or event giving rise to the claim.
- (b) Within thirty (30) Business Days from the date of receipt of the notice claim served by the Assignees, the Cedant shall notify the Assignees of (i) its acceptance of the claim (in such case the Losses being satisfied by the Cedant to the Assignees within thirty (30) Business Days); or (ii) its rejection, whether in whole or in part, as regards to the grounds of the claim or its amounts. If the Cedant fails to notify its position with respect to the claim, it shall be deemed to have rejected it. The notice shall specify, as applicable and in reasonable detail, the legal and factual basis of the claim, setting out, to the extent reasonably possible, a non-binding estimate of the amount of Losses which are, or are to be, the subject of the claim.
- (c) If the Cedant rejects (or is deemed to have rejected) the claim, both the Assignees and the Cedant shall meet and make reasonable efforts to reach an agreement as regards whether or not there are valid grounds for the claim and, as the case may be, its amount.
- (d) In the event of the Assignees and the Cedant not reaching an agreement within the twenty (20) Business Days following the date of receipt by the Assignees of the notice of disagreement referred to in 11.1(a) above (or, in the event the Cedant fails to deliver such a notice, within the term set out in the said Clause 11.1(a) above), the claim shall be settled pursuant to the conflict resolution procedure set forth in Clause 18 below.

11.2 Conduct of Third Party Claims

If the matter or circumstance that may give rise to a claim against the Cedant is a result of or is in connection with a claim by a third party (a **"Third Party Claim"**):

- (a) The Assignees shall give written notice of the claim to the Cedant prior to the expiry of the first third part of any prescribed period to file an appeal against such Third Party Claim or to otherwise respond to it in any way, enclosing, as applicable: (i) a copy of the document containing the Third Party Claim; and (ii), to the extent reasonably possible, the value or a non-binding estimation of the Third Party Claim.
- (b) As soon as possible, and in any case prior to the expiry of the second third part of any prescribed period to file an appeal against or respond in any manner to such Third Party Claim, the Cedant shall notify the Assignees that it: (i) accepts liability for Third Party Claim and will intend to oppose the same; (ii) agrees with

the Third Party Claim and has no intention to oppose to it; or (iii) considers that the Third Party Claim does not give rise to Cedant's liability vis-à-vis the Assignees for a breach of the Cedant's Warranties in accordance with the provisions contained in this Agreement. If the Cedant does not serve any notification to the Assignees within such time limit, it shall be deemed that it rejects the Third Party Claim, waiving its right to undertake the defence of such Third Party Claim. In this regard:

- (c) if the Cedant accepts liability for the Third Party Claim and decides to defend the Third Party Claim, the Cedant shall:
 - (i) subject to applicable Law, be entitled at its own expense and in its reasonable discretion, to manage the conduct of the defence of the Third Party Claim and for such purposes to take such action as it shall deem necessary to avoid, dispute, deny, defend, resist, appeal or contest the Third Party Claim and to have the conduct of any related proceedings, negotiations or appeals. For the avoidance of doubt, the Cedant shall pay all fees, expenses, taxes, guarantees and/or provisions derived from opposing the Third Party Claim and from the services of its legal advisors in said opposition;
 - (ii) (a) where practicable, keep the Assignees promptly informed of the progress of all such proceedings, (b) make available to the Assignees any notices, communications and filings of material nature in respect of such Third Party Claim and in any event with sufficient time so as to allow the Assignees to meaningfully review and comment on all documentation prior to the filing thereof with the applicable court, arbitration panel or other body, (c) where practicable, consider in good faith, and, when reasonable or advisable, implement, such comments and all other strategic or other considerations or advice that may be timely and reasonably offered by the Assignees or its counsel in respect of such Third Party Claim, and (d) allow one or more individuals designated by the Assignees to attend any meetings and hearings of material nature in respect of such Third Party Claim, to the extent not prohibited by applicable Law and (e) not make any settlement or compromise of the Third Party Claim without the written consent of the Assignees, which could not be held unreasonably;
 - (iii) pay the relevant Losses to the Assignees, if the Third Party Claim is ratified by a judgment or is the subject of a settlement, within fifteen (15) Business Days following the date on which the judgment, award or agreed settlement comes into force.
- (d) if the Cedant agrees with the Third Party Claim and has no intention to oppose to it, the Cedant shall make payment of the Losses to the Assignees within fifteen (15) Business Days following the date on which the judgment, award or agreed settlement comes into force.

- (e) if the Cedant notifies the Assignees that the Third Party Claim does not give rise to Cedant's liability *vis-à-vis* the Assignees, the Assignees shall be entitled to proceed with the Third Party Claim at its discretion and initiate, when appropriate, the dispute resolution procedure set forth in Clause 19.

11.3 Non-essential nature of the terms and procedure indicated above

The fact that the Assignees does not notify the existence of the claim for which the Cedant may be liable within the aforementioned time period (or, in general, do not comply with the procedure provided for in Clauses 11.1 and 11.2) shall not affect the Cedant's liability under this Agreement, unless it is prevented from the effective defence rights against said claim or it has increased its liability (and to such extent). Notwithstanding the foregoing, any failure by any of the Assignees to comply with the time limits and other requirements set out in this Clause 11 shall give rise to the Assignees' liability for all losses and damages which such delay or failure to comply may cause to the Cedant.

11.4 Claim to be withdrawn unless litigation commenced

- 1.1 Capitalised terms shall have the meaning given to them throughout this Agreement or in **Annex 1.1**. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the IBTA.
- 1.2 Unless the context requires otherwise, the provisions of this Agreement shall be construed as provided in **Annex 1.2**.

2 PURPOSE OF THE AGREEMENT

- 2.1 The purpose of this Agreement is the provision to the Assignees of services in connection with the PPI Business, to be executed by the Service Provider in exchange for the Fees set out in Clause 5 below (the "**Services**").
